The Obstetrics department assures you and your baby is safe and sound. After birth, your baby will have a bracelet on his/her ankle, which is linked to a security station.

Online Baby Nursery

We offer an online baby nursery to help families celebrate their newest addition. Newborn pictures are only posted if parents give consent. The online nursery can be found at www.stewartmemorial.org

Labor and Delivery

Your room has everything needed to care for you and your baby.

Planned or emergency Cesarean delivery is available at Stewart Memorial Community Hospital. A Board Certified surgeon is available 24 hours a day.

A Certified Registered Nurse Anesthetist is available 24 hours a day to help keep you comfortable. Pain management available includes continuous epidural.

Educational Classes

Oh Baby!

Early bird, Prenatal and Big Brother/Big Sister classes are FREE and open to all women planning or expecting a baby. First time mothers are expected to attend an Early bird or Prenatal class. All other OB patients are urged to attend. For your convenience, each class is held four times a year at Stewart Memorial Community Hospital in the Lower Level Conference Center. Call to register at 712-464-3171.

Caring Hands Closet

Caring Hands Closet offers educational and social opportunities for parents. Classes are free to all pregnant women and parents with young children. By attending, parents earn points to shop in the "Closet." Caring Hands Closet is a fun way to earn rewards for taking care of yourself and your baby. For more information call Calhoun County Public Health at 712-297-8323.

Our goal is to provide quality care throughout your pregnancy and help you have a joyful experience delivering a healthy baby.
