This December, angel ornaments will decorate the Hospice Loving Trees once again. Each ornament will be printed with the name of a loved one who family or friends wish to remember during the Christmas season. The Loving Trees will be on display in the Stewart Memorial Community Hospital lobby and in the McCrary-Rost Clinic lobby through the month of December. Please pick up your Keepsake Angel after Christmas.

If you wish to remember your loved one with an angel ornament, please fill out the form below and, along with your $10 minimum donation, mail to:
